

### RENEWAL

- The safe environment training platform for renewing can be accessed at the Diocese of Salina's webpage <http://salinadiocese.org> or <https://salina.CMGconnect.org>. It is recommended to use Google Chrome for full functionality.
- If you have already taken CMG training or VIRTUS training in the past, you will already have an account set up for you and you can **sign in** with that same username you created previously and the password: *safe*. If you do not remember your username/password please contact the Safety Coordinator of your parish/school or [cmgconnect@catholicmutual.org](mailto:cmgconnect@catholicmutual.org) or you can email me here at the Diocese [wendy.backes@salinadiocese.org](mailto:wendy.backes@salinadiocese.org)

- Once you have signed in, you will need to Edit your profile, then click Save.
- On the main dashboard, you will start the Curriculum.
- Complete *each* section of the training, starting with the Bishop's message and ending with the background check. (You may have to scroll down to see all the required sections). As you complete each section they will show as "done" in the corresponding boxes.

Please note:  
Your background check will show "in progress" until the Diocese reviews it.

- Once you have completed everything, click on the dashboard  to return to the main menu.

Thank you for **renewing** the Safe Environment Training for the Diocese of Salina.

If you have questions regarding your training, please contact your Parish/School Safety Coordinator.

For additional support email [cmgconnect@catholicmutual.org](mailto:cmgconnect@catholicmutual.org)
