

# CMGConnect

## Diocese of Salina- Safe Environment Training Instructions for High School Students (Grades 9-12) working/volunteering with children.

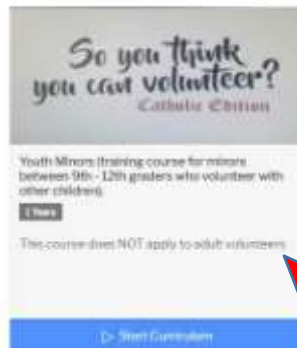

### Getting Started:

- Register for a **New Account** by completing the required boxes.
  - First name, last name, set up a username and password (*that you will remember*).
  - Address phone number, email (suggested, but not required), and date of birth.
  - Primary parish/ school, your role in the parish/school and how you participate in your parish or school, please select **Youth Minors Training Course**.

Once you have completed all 3 registration screens, your required training will pop up. Begin the required training by clicking **Start Curriculum**

#### Required Trainings

Complete the 3 sections of the training. As you complete each section they will show as “done” in the corresponding boxes.

- Once you have completed everything, click the  to return to the main menu.

Your training will be saved in the database for the Safety Coordinator of your parish/ school to review and CMG will notify you through email that your training is complete, and you are ready to begin your ministry.

Thank you for completing the Safe Environment training for the Diocese of Salina.  
If you have questions regarding your training, please contact your Parish/School Coordinator: Alysia Baumann
